Donuts Bangkok Co., Ltd. Website Engineer Position

Dear Mr. Warunyoo Naree,

I wish to apply for the website engineer position that advertised in your company's facebook facebook page. I am enclosing a completed job application, my resume and my transcript. I am particularly interested in a career with your company, because your company is a small and serving a lot of interesting application.

The opportunity presented in this listing is very interesting, and I believe that my skills will make me easily to do the work for this position. The key strengths that I possess for success in this position include:

- Developed web applications using PHP, HTML and MySQL.
- Working with team.
- Continuously strive for excellence and always eager to learn new skills.

With a Bachelor of Science degree in Computer Science, I got experiences and skills from learning in class and also learning by myself through the internet. Please review my resume for additional information of my skills, education and experience.

I can be reached anytime via email at siwakorn.pcc@gmail.com or my mobile phone, 088-881-8809. Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Best Regards,  
Siwakorn Petchuchuay
